# ITP Conference Scholarship
## Application Form

We understand that travelling interstate and intrastate can be expensive for people living with a rare disease. ITP Australia and New Zealand have established the ITP Conference Scholarship, funded through various sponsorships, grants and donations.

**Name:** _____

**Applications Close - Wednesday, 12 February 2025**

### Submit your application

Submit your application by email to **scholarship@ITPAustralia.org.au** . You may also be required to provide supporting documentation with your application based on the category that you're applying for. Please review each category criteria here (ITPAustralia.org.au/itp-conference-scholarship). All successful applicants will be notified in writing no later than Monday, 17 February 2025, by an ITP Australia and New Zealand representative.

**Please forward your completed Application Form to scholarship@ITPAustralia.org.au.**

### Help others attend future ITP Australia Conferences.

The ITP Conference Scholarship is solely funded through donations and fundraising. Every time you make a donation, you're giving a patient living with Immune Thrombocytopenia the opportunity to meet other patients living with the same rare disease and the chance for them to meet with and learn from some of Australia's leading clinicians. Help ITP Australia and New Zealand to provide health equity and equality and make a donation today.
